OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

10505/442 Enclosure Bangalore 2nd June 1904

From

H J HABBA Esq Ma,
Inspector General of Education in Mysore

To

L. Anantaswamy Rao, Esq. BA,
Offg Secretary to the Government of His H
the Maharaja of Mysore,
General and Revenue Departments,
Bangalore

TION—Edl. 122 of 03

Sir,

I have the honour to forward herewith a tabular statement of applications for Medical Scholarships for 1904, and to inform you that both the Senior Surgeon and I consider that the applicants bearing Register Nos 1 and 5 have the best claims, their academical distinctions being the highest of all. For the third scholarship I bracketed together the following three applicants

Serial Register No.	Name and qualifications
4	J B Fernandez 7 A age 18 Matr. First class 7 A Second class He is strongly recommended by the Principal of St. Joseph's College and is the son of a midwife in Government service His father and grandfather were in the Mysore Service -
14	M N Srinivasachetty 7 A son of the Hospital Assistant of Krishnarajpete who has served Government for 26 years. He has passed the First in B C in Examination of 1904 and wants the scholarship for four years to complete his course.
11	D. S Puttanna, brother of D Kempadappa, Head master of Doddaballapur Anglo-Vernacular School, is a weaver by caste, & has passed the B A Examination in English and Kanarese

Of the above three the Senior Surgeon selects the first J B Fernandez, who appears to be a smart and deserving young man.

2 There are ~~two~~ other graduates in the list of applicants K Raghavendra Rao BA 3rd class Age 20, and S N Srinivasa Iyengar BA, age 25 The former

has not distinguished himself in any university examination though he is said to be good in Practical Chemistry and has been studying Biology since he graduated The latter is son of Mr S Narasimmiengar a leading advocate of Bangalore and has already joined the Grant Medical College of Bombay on his own account His age is 25

3 Under these circumstances I recommend that the following applicants may be granted Medical scholarships tenable in the Madras Medical College for five years with effect from 1st July 1904 to enable them to take the M B C M Degree, under the usual conditions of satisfactory progress and conduct during the tenure of their scholarship

1 B G Srinivasacharya B A
2 B Venkataravaradachaar B A
3 J B Fernandez F A

I have the honour to be,

most obedient servant,

H J Bhabha
Inspector General
